- ✓ Fingerprint-resistant matte finish and raised edges help protect the screen and camera lenses.
- ✓ Snaps on quickly and preserves full access to buttons, ports, and the camera for uninterrupted use.
- ✓ Compatible with Samsung Galaxy S25 Black, includes a two-year warranty.

Product description

Why choose this phone case?

Cirafon Aegis Shockproof Phone Case (MIL-STD-810H Certified) pairs military-grade drop protection with a slim shell design to reduce repair costs and keep your Samsung Galaxy S25 Black reliable in everyday use. It balances impact resistance, scratch and dust protection, and a fingerprint-resistant finish, while staying easy to apply and comfortable to carry.

Cirafon Aegis Shockproof Phone Case (MIL-STD-810H Certified) in short:

- Meets MIL-STD-810H and protects against drops up to 1.5 m for reliable impact resistance.
- Hybrid polycarbonate and TPU construction absorbs shocks while maintaining a slim profile.
- Fingerprint-resistant matte finish and raised edges help protect the screen and camera lenses.
- Snaps on quickly and preserves full access to buttons, ports, and the camera for uninterrupted use.
- Compatible with Samsung Galaxy S25 Black, includes a two-year warranty.

Protection and materials

Cirafon Aegis Shockproof Phone Case uses a rigid polycarbonate outer shell and a flexible TPU inner layer to absorb and disperse shock on impact. The certified shockproof design protects against accidental drops up to 1.5 m and helps guard against dust and scratches. A fingerprint-resistant surface keeps the case looking clean through daily handling, and raised bezels shield the display and camera lenses.

Fit and daily use

Designed for the Samsung Galaxy S25 Black, the case snaps on securely and aligns with cutouts for the camera, ports, and controls so you keep full functionality. The slim profile and matte black finish slide easily into pockets and bags without adding bulk. The case ships in a box and is supplied as a single unit, with a two-year warranty for added peace of mind.
