Product description

Cirafon Arezzo Savona, Leather work bag with laptop compartment for 16"

Design and materials

Cirafon Arezzo Savona is a work bag created for those who need a practical and stylish everyday solution. The bag is made of durable leather with a natural textured surface that gives it a professional, timeless appearance. The construction is robust and intended for long-term use, capable of withstanding everyday conditions.

Laptop and tech storage

The bag includes a dedicated laptop compartment that fits laptops up to 16". The compartment is padded with 2 mm PE foam, offering basic protection against shocks and light impacts. This compartment is intended specifically for the laptop and is separated from the rest of the storage.

Internal organization

Arezzo Savona features four internal compartments for organizing accessories, documents, and smaller items, as well as one separate compartment for the laptop. The interior layout makes it easy to keep belongings neatly arranged and accessible. The open top construction allows quick access to the contents, while zippered inner pockets help keep valuables securely in place.

Carrying comfort and practical details

The bag is carried by two sturdy leather shoulder straps designed to sit comfortably on the shoulder. The base is fitted with metal feet to protect the bag when placed on floors or other surfaces. With a weight of 820 g, the bag remains easy to handle even when fully packed.

Applications

Combining a classic design with functional organization, the Cirafon Arezzo Savona is well suited to office use, commuting and meetings. Its shape and material choices make it a practical option for people who carry a laptop, documents and everyday essentials in an organized and secure manner.
