Product description

Gilford Compatible Toner Cartridge Magenta 220A 1.8K (W2203A)

Gilford offers a high quality compatible magenta toner cartridge that is a cost effective alternative for businesses looking for professional colour printing with consistent and stable performance. This toner corresponds to model 220A (W2203A) and delivers vivid colours, sharp details and consistent print quality, ideal for presentations, marketing material and everyday office use.

With a capacity of up to approximately 1,800 pages at 5 % coverage, this is an optimal choice for organisations that want to combine high quality with a low cost per page.

Manufactured in accordance with international standards such as ISO 9001 for quality assurance and ISO 14001 for environmental responsibility, Gilford toner cartridges are designed for businesses that value both operational reliability and sustainability.

Compatibility

Compatible with the following printers:

- Color LaserJet Pro 4202dn
- Color LaserJet Pro 4202dw
- Color LaserJet Pro 4202dwe
- Color LaserJet Pro MFP 4302fdn
- Color LaserJet Pro MFP 4302fdw
- Color LaserJet Pro MFP 4302fdwe

Choose Gilford for an affordable colour toner with consistent quality and professional results.
