- ✓ 45W USB-C Power Delivery 3.0
- ✓ GaN technology for high efficiency
- ✓ Compact and lightweight – only approx. 71.5 g
- ✓ Universal compatibility (iPhone, Android, USB-C laptops)

Product description

CIRAFON USB-C Wall Charger 45W GaN – Slim Design

CIRAFON USB-C Wall Charger 45W is designed with a focus on minimalism and function in perfect balance. The ultra thin and compact form factor allows the charger to be placed neatly behind furniture, in tight wall sockets or discreetly in environments where space is limited, without compromising performance.

Elegant and space saving design

The slim construction makes the charger ideal, for example behind sofas, beds or desks where traditional chargers often take up too much space. The clean white finish blends naturally into both home and office environments.

Powerful charging in a compact format

Despite its thin design, the charger delivers up to 45W via USB-C with Power Delivery 3.0, making it perfect for fast and efficient charging of smartphones, tablets and even compatible laptops.

Modern GaN technology

With advanced GaN technology you get higher efficiency and less heat generation, which enables a smaller and lighter charger without sacrificing performance.

Safe and reliable

Made of fire retardant material and equipped with multiple protection features for safe everyday use.

Key features

- Ultra thin design – perfect behind furniture
- 45W USB-C Power Delivery 3.0
- GaN technology for high efficiency
- Compact and lightweight – only approx. 71.5 g
- Universal compatibility (iPhone, Android, USB-C laptops)
- Fire retardant housing and CE marked

Summary

A powerful yet discreet wall charger for anyone who wants to combine performance, design and smart placement, perfect for modern environments where every centimetre counts.

Technical Specification Matrix

Header
