

36W Fast Car Charger – USB-C & USB-A, 3 PortsBlack

Data sheet

Summary

- ✓ Fast charging for phones and tablets with USB-C Power Delivery and Quick Charge 3.0, supplying up to 18W on the USB-C port.
- ✓ Three-port layout, one USB-C and two USB-A ports, lets you charge a phone and a tablet at the same time.
- ✓ Total output of 36W and 12–24V input make it suitable for cars and larger vehicles.
- ✓ Built-in protection against over current, overload, short circuit, and over total voltage keeps devices safe.
- ✓ Note that it is designed for mobile devices and tablets, not for charging high-power laptops.

Product description

Why choose this mobile device charger?

Cirafon PDC36-3UT01 mobile device charger gives you reliable, on-the-road charging for phones and tablets. It combines Power Delivery and Quick Charge to reduce charging time, supports simultaneous charging for multiple devices, and includes safety protections to protect your devices and vehicle electrical system.

PDC36-3UT01 mobile device charger in short:

- Fast charging for phones and tablets with USB-C Power Delivery and Quick Charge 3.0, supplying up to 18W on the USB-C port.
- Three-port layout, one USB-C and two USB-A ports, lets you charge a phone and a tablet at the same time.
- Total output of 36W and 12–24V input make it suitable for cars and larger vehicles.
- Built-in protection against over current, overload, short circuit, and over total voltage keeps devices safe.
- Note that it is designed for mobile devices and tablets, not for charging high-power laptops.

Product details

Cirafon PDC36-3UT01 mobile device charger plugs into a vehicle 12–24V socket and distributes up to 36W between its ports. The USB-C Power Delivery port supports faster charging where supported, while the two USB-A ports provide compatibility with existing cables and accessories. The compact black housing is lightweight and easy to store, so you can keep it in the glove compartment or a bag. Safety features help prevent damage to your devices and to the vehicle electrical system.
