

Cable Reel 30m 4-Way Schuko 16A IP20 with Thermal Cut-Off

Data sheet

Summary

- ✓ 30 meter cable for long reach
- ✓ 4 grounded Type F sockets (Schuko)
- ✓ Max load: 16 A / 3680 W
- ✓ Integrated overheat protection (thermal fuse)
- ✓ Child-protected sockets for increased safety

Product description

Prokord cable reel 30 m, flexible power for work and home

Prokord's 30 meter cable reel is a robust and reliable solution for anyone who needs flexible power supply over longer distances. With four grounded Schuko sockets, you can easily connect several devices at the same time, which makes it ideal for offices, workshops, homes and temporary installations.

The practical design with a stable frame and ergonomic handle makes the cable reel easy to transport and convenient to wind up after use. The angled plug makes connection easier even in tight spaces behind furniture and equipment.

Advantages

- 30 meter cable for long reach
- 4 grounded Type F sockets (Schuko)
- Max load: 16 A / 3680 W
- Integrated overheat protection (thermal fuse)
- Child-protected sockets for increased safety
- Stable design with practical carry handle
- Angled plug for easy installation
- Made of fire-retardant material
- 1.5 mm² copper conductor for stable power supply
- 2 year warranty

Built for safe and smooth use

The cable reel is equipped with safety features such as child protection and overheat protection, which makes it safe to use in both professional and private environments. The construction in fire-retardant material further contributes to safe use.

Please note that this model is intended for indoor use (IP20) and has no surge protection.

Perfect for flexible power supply

With its long cable and multiple sockets, this cable reel is ideal for use with computers, tools, chargers and other electrical equipment. It is perfect for offices, homes and work environments where power needs to be routed over longer distances in an organized and safe way.

Quality and standards

The product meets relevant safety requirements and certifications such as CE, RoHS and GS, which ensures safe and reliable everyday use.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Universal plug connector types	Type F
Cable length	30 m
Conductor material	Copper
Child protection	Yes
AC outlet types	Type F
Power plug type	Type F (CEE 7/4)
Power plug form factor	Angled
On/off switch	No
Product colour	Black, Red
Housing material	Plastic
Suitable location	Home office, Office
Number of cores	3
International Protection (IP) code	IP20
Core size	1.5 mm²
Weatherproof	No

Technical details

Warranty period	3 year(s)
Compliance certificates	CE, REACH, RoHS

Ports & interfaces

AC outlets quantity	4 AC outlet(s)
---------------------	----------------

Power

AC input voltage	230 V
Maximum input power	3680 W
AC input frequency	50 Hz
Maximum current	16 A

Packaging data

Number of products included	1 pc(s)
Package type	Box

Package width	245 mm
Package depth	195 mm
Package height	325 mm
Package weight	300 g

Weight & dimensions

Width	230 mm
Height	320 mm
Depth	185 mm
Weight	4220 g
