Product description

Why choose this power cable?

Prokord Cable Power 2-Pin - Straight 0.5m White provides a compact, reliable connection between mains outlets and small devices. Its short length and straight connectors make routing simple and reduce desk and AV-cabinet clutter. Choose this cable when space, neatness, and straightforward installation are priorities.

Cable Power 2-Pin - Straight 0.5m White in short:

- Short 0.5m length keeps installations tidy and reduces excess cabling.
- Straight CEE7/16 to C7 male connectors for easy, low-profile connections.
- White finish blends with light-coloured equipment and environments.
- Ideal for monitors, small audio/video devices, and compact power setups.
- Not suitable for long-distance power runs; ensure device connector compatibility.

Product details

Prokord Cable Power 2-Pin - Straight 0.5m White is designed to link a CEE7/16 mains plug to a device with a C7 inlet in tight or visible installations. The straight connector forms make insertion and cable routing predictable and space efficient. Use it where a short, unobtrusive power lead improves organisation and keeps power paths neat.
