

D-KF-GX10 10m 4ACOutlets Power Cable Reel

Data sheet

Summary

- ✓ 10-metre extension reel provides power exactly where it's needed.
- ✓ Four Schuko outlets for computers, monitors, printers and office equipment.
- ✓ Supports loads up to 3680W and 16A for demanding applications.
- ✓ Thermal overload protection and short-circuit protection for safer operation.
- ✓ Compact reel design keeps excess cable neatly stored when not in use.
- ✓ Angled Type F plug fits neatly behind furniture and workstations.

Product description

Why choose this extension reel?

The Prokord Extension Reel 10m with 4 outlets provides a convenient way to extend power where wall sockets are out of reach. With a 10-metre cable, four Schuko outlets and a compact reel design, it is ideal for offices, workshops, home offices and other indoor environments where multiple devices need reliable power.

Built-in safety features including thermal overload protection, short-circuit protection and child safety shutters help ensure safe everyday operation.

Prokord Extension Reel 10m 4 Outlets in short:

- 10-metre extension reel provides power exactly where it's needed.
- Four Schuko outlets for computers, monitors, printers and office equipment.
- Supports loads up to 3680W and 16A for demanding applications.
- Thermal overload protection and short-circuit protection for safer operation.
- Compact reel design keeps excess cable neatly stored when not in use.
- Angled Type F plug fits neatly behind furniture and workstations.

Product details

The Prokord Extension Reel is designed for indoor use in offices, homes, workshops and other work environments where additional reach and multiple power outlets are required. The durable fire-resistant housing and high-quality copper conductors provide reliable power delivery for everyday equipment.

With four Type F (Schuko) outlets and a maximum load of 3680W, it can power everything from computers and displays to printers and office electronics. The integrated reel helps reduce cable clutter and makes storage and transportation easier when the extension cable is not in use.

Safety features include thermal overload protection, short-circuit protection, child safety shutters and a fire-resistant enclosure. The extension reel is CE, RoHS and GS certified for added peace of mind.

Technical Specification Matrix

Header

Manufacturer	Prokord
Model	D-KF-GX10

Features

Cable length	10 m
Child protection	Yes

AC outlet types	Type F
Power plug type	Type F
Power plug form factor	Angled
On/off switch	No
Product colour	Black
Housing material	Plastic
Safety shutter	YES
Country of origin	China
Placement supported	Indoor

Ports & interfaces

AC outlets quantity	4 AC outlet(s)
---------------------	----------------

Power

AC input voltage	240 V
AC input frequency	50 Hz
Maximum input power	3860 W
Output voltage	240 V
Power protection features	Surge protection

Packaging data

Number of products included	1 pc(s)
-----------------------------	---------

Weight & dimensions

Width	230 mm
Height	280 mm
Depth	80 mm
Weight	1437 g

Warranty & services

Warranty	2 Year(s)
