Product description

Why choose this wall mount?

PROKORD Heavy-Duty Full Motion Display Wall Mount delivers secure and reliable support for large-format displays in meeting rooms, public environments and digital signage installations. Built from durable steel and rated for loads up to 120 kg, it is designed for demanding, long-term use. Full-motion adjustment, integrated cable management and post-installation leveling ensure both flexibility and a professional finish.

Key features

- Supports displays up to 120 kg.
- Compatible with VESA mounting patterns from 200 × 200 mm to 900 × 600 mm.
- Full-motion design with -15° to +5° tilt, ±60° swivel, and 75–703 mm extension.
- Heavy-duty steel construction for maximum stability and durability.
- Integrated cable management keeps installations clean and organized.
- Post-installation leveling enables precise screen alignment.
- Suitable for solid walls and double-stud installations.
- Backed by a 3-year warranty.

Product details

The PROKORD Heavy-Duty Full Motion Display Wall Mount is engineered for professional installations requiring high load capacity and broad VESA compatibility. Supporting mounting patterns up to 900 × 600 mm and a maximum weight of 120 kg, it accommodates a wide range of large-format displays. The articulating arm provides excellent flexibility for positioning, maintenance and cable access, while integrated cable routing and leveling adjustments ensure a clean, precise and reliable installation.
