Product description

Why choose this phone case?

Cirafon Clear Case with MagSafe protects your Samsung Galaxy S26 from scratches, bumps and everyday wear while preserving the phone's original look. The slim, transparent TPU design offers a comfortable grip without adding unnecessary bulk, while the integrated MagSafe-compatible ring ensures reliable alignment with magnetic accessories and wireless chargers. Made from recycled materials and backed by a two-year warranty, it's a practical choice for everyday protection.

Cirafon Clear Case with MagSafe in short:

- Slim transparent TPU case that preserves your phone's design
- MagSafe-compatible for magnetic accessories and wireless charging
- Protects against scratches, bumps and everyday wear
- Raised edges help protect the camera and display
- Made from recycled materials and backed by a two-year warranty

Slim protection for everyday use

Designed to fit your Samsung Galaxy S26 perfectly, the flexible TPU construction helps absorb everyday impacts while maintaining a slim profile. The transparent finish lets the original colour of your phone remain visible, making it ideal for users who want protection without hiding the device.

MagSafe compatibility

The integrated magnetic alignment ring provides secure positioning for compatible magnetic accessories and wireless chargers. Charge your phone wirelessly or attach compatible accessories without removing the case.

Designed for daily use

Precise cut-outs ensure easy access to ports, buttons and cameras, while raised bezels provide extra protection for the display and camera when placed on flat surfaces. The lightweight design makes the case easy to install and remove whenever needed.
