Product description

Minimalist Silicone Case with Magnet & Wireless Charging, Slim Fit, Black

Stylish protection for everyday use

Give your phone stylish and reliable protection with a minimalist silicone case designed for smooth everyday use. The matte surface provides a secure grip and a premium feel, while the case protects against scratches and light impacts.

Slim design with perfect fit

The thin and flexible design lets your phone keep its natural shape without feeling bulky. The case fits perfectly in place and provides easy access to all buttons, ports and functions.

Protective microfiber interior

The inside is lined with soft microfiber padding that protects the phone from scratches and wear. This helps keep the device in good condition over time, even with daily use.

Magnetic function with MagSafe & Qi2 support

The case has a built-in magnet that is compatible with MagSafe and Qi2, which enables optimal placement for wireless charging as well as support for magnetic accessories. You can charge your phone conveniently without removing the case and get a stable connection every time.

Minimalist design for all environments

The discreet black design makes the case just as suitable in professional settings as in everyday life. A perfect choice for companies and users looking for a stylish and functional solution.
