Product details

The Cirafon SuperSlim Qi2 Powerbank 3000mAh Black combines portability with effortless wireless charging for smartphones and other compatible devices. Qi2 technology delivers precise magnetic alignment and up to 7.5 W wireless charging performance, making everyday charging simple and convenient.

Its compact 70 × 104 × 5.8 mm design and lightweight 80 g construction fit easily into a pocket, handbag or backpack. The premium housing combines aluminium, liquid silicone and durable plastic materials for a slim profile with a comfortable grip.

LED indicators display power and charging status at a glance, while the integrated power button and automatic shut-off function help conserve energy. The powerbank supports pass-through charging, allowing the battery pack and a connected device to charge simultaneously.

Built-in protection systems guard against overcharging, overheating, overvoltage, overcurrent and short circuits. The product complies with CE, RoHS, REACH, WEEE and Qi2 requirements and is backed by a 2-year warranty.
