Product details

The Cirafon Stand Qi2 Power Bank 5000mAh White delivers flexible charging for smartphones and other compatible devices. Qi2 technology provides secure magnetic attachment and convenient wireless charging, while the USB-C port supports Power Delivery 3.0 with up to 15W output for faster wired charging.

Its integrated stand makes it easy to watch videos, join meetings or browse content without holding your phone. The compact design combines aluminium, liquid silicone and durable plastic materials for a premium feel and comfortable grip.

LED indicators display charging and battery status at a glance, while the power button and automatic shut-off function help conserve energy. The power bank supports simultaneous charging of both the power bank and a connected device for added convenience.

Built-in protection systems guard against overcharging, overheating, overvoltage, overcurrent and short circuits. The product complies with CE, RoHS, REACH, WEEE and Qi2 requirements and is backed by a 2-year warranty.
