

Prokord PC-DBCC2.0

Data sheet

Core Specs

Cable length	2 m
Connector 1	USB-C
Connector 2	USB-C
Product colour	Red
USB Power Delivery up to	240 W

Summary

Power-only charging cable with integrated protection against data transfer.

- ✓ Power-only design blocks all data transfer for secure charging.
- ✓ Protects against data theft, malware and juice jacking.
- ✓ Supports up to 240W fast charging without compromising device security.
- ✓ Integrated cable solution requires no adapters or additional setup.
- ✓ Durable construction built for everyday use and frequent transport.

Product description

Why choose this data blocker cable?

Prokord Data Blocker Cable combines secure power-only charging with the convenience of an integrated cable solution. By physically preventing all data communication, it helps protect devices against unauthorized access, malware and juice jacking when charging from public or unfamiliar USB ports.

Data Blocker Cable in short:

- Power-only design blocks all data transfer for secure charging.
- Helps protect against data theft, malware and juice jacking.
- Integrated cable solution requires no adapters or additional setup.
- Red connectors make the cable easy to identify as a dedicated secure charging solution.
- Durable construction built for everyday use, travel and business environments.

Product details

The Prokord Data Blocker Cable provides secure charging by allowing power delivery while physically blocking all data communication. This prevents unauthorized access to files, personal information and connected devices when charging from unknown USB sources.

The integrated cable design offers a practical, all-in-one solution without extra adapters. The distinctive red connectors provide a clear visual indication that the cable is intended for secure, power-only charging and make it easy to distinguish from standard charging cables in shared environments.

Compact, reliable and easy to carry, the cable is suitable for professionals, frequent travellers and anyone who values privacy and device security when charging on the go.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	2 m
Connector 1	USB-C
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	USB-C
Connector 2 gender	Male

Connector 2 form factor	Straight
USB Power Delivery	Yes
USB Power Delivery up to	240 W
Product colour	Red
Cable jacket material	Thermoplastic elastomer (TPE)
AWG wire size	24/30
Connector contacts plating	Gold
Conductor material	Tinned copper
Magnetically shielded	Yes
Fast charging	Yes
Country of origin	China

Packaging data

Quantity per pack	1 pc(s)
Package width	125 mm
Package depth	165 mm
Package height	0.2 mm
Package weight	12 g
Package type	Bag
