

Office Power Strip 3 Sockets 1.5m PD 32W Black

Data sheet

Summary

- ✓ Three grounded AC outlets with up to 3680 W total capacity for office equipment and electronics.
- ✓ USB-C Power Delivery 3.0 provides up to 30 W charging for laptops, tablets and smartphones.
- ✓ Two smart USB-A ports deliver up to 12 W combined output for accessories and mobile devices.
- ✓ Advanced protection against overload, overvoltage, overcurrent, overheating and short circuits.
- ✓ Compact design with a 1.5 m cable for convenient placement on desks and workstations.

Product description

Why choose this power strip?

Prokord Office Power Strip 3 Sockets 1.5m PD 32W Black combines three grounded power outlets with convenient USB charging in a compact design for desks, meeting rooms and home offices. A dedicated USB-C Power Delivery port delivers up to 30 W charging for modern devices, while two smart USB-A ports handle accessories without additional chargers.

Office Power Strip 3 Sockets 1.5m PD 32W in short:

- Three grounded AC outlets with up to 3680 W total capacity for office equipment and electronics.
- USB-C Power Delivery 3.0 provides up to 30 W charging for laptops, tablets and smartphones.
- Two smart USB-A ports deliver up to 12 W combined output for accessories and mobile devices.
- Advanced protection against overload, overvoltage, overcurrent, overheating and short circuits.
- Compact design with a 1.5 m cable for convenient placement on desks and workstations.

Product details

The Prokord Office Power Strip 3 Sockets 1.5m PD 32W Black gives you flexible power distribution and integrated USB charging in a single unit. Three grounded sockets support a maximum load of 3680 W, making it suitable for monitors, computers, docking stations and other office equipment.

The dedicated USB-C port supports Power Delivery 3.0 with up to 30 W output, while two USB-A ports provide a combined 12 W smart charging solution for additional devices. When multiple USB ports are used simultaneously, total USB output reaches up to 20 W.

Integrated safety systems protect connected devices against overload, overvoltage, overcurrent, overheating and short circuits, with automatic recovery where applicable. The unit is built using flame-retardant materials and precision electrical components for reliable long-term operation.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Universal plug connector types	Type F
Fast charging	Yes
Cable length	1.5 m
Child protection	Yes
AC outlet types	Type F

Power plug type	Type F
Power plug form factor	Angled
On/off switch	No
Product colour	Black
Housing material	Plastic
Placement supported	Indoor
Fast charging technology	Power Delivery 3.0
USB Power Delivery	Yes
USB Power Delivery revision	3.0

Technical details

Warranty period	2 year(s)
-----------------	-----------

Ports & interfaces

AC outlets quantity	3 AC outlet(s)
USB Type-A ports quantity	1
USB Type-C ports quantity	2
USB ports quantity	3

Power

AC input voltage	230 V
AC input frequency	50 Hz
Power protection features	Over current, Over voltage, Overheating, Overload, Short circuit
USB port 2 voltage	5 V
USB port voltage	5 V
USB Type-A output power	12 W
USB port 3 voltage	5 V
Total USB power output	32 W
USB Type-C output power	30 W

Packaging content

Manual	Yes
Mounting dock included	Yes

Packaging data

Package type	Box
--------------	-----

Package width	213 mm
Package depth	150 mm
Package height	100 mm
Package weight	595 g

Weight & dimensions

Width	200.43 mm
Height	54.25 mm
Depth	70.8 mm
Weight	480 g
