- ✓ Includes USB receiver and AA battery

Product description

Why choose this mouse?

Voxicon Prime EX64 Wireless Mouse is designed for professionals who work across multiple devices and large documents every day. With silent clicks, ergonomic right-handed comfort and both vertical and horizontal scrolling, it helps you stay productive and focused whether you're working with spreadsheets, presentations or creative applications. Flexible wireless connectivity lets you switch seamlessly between Bluetooth and 2.4 GHz devices while keeping your workspace clean and cable-free.

Prime EX64 in short:

- 2.4 GHz and Bluetooth connectivity
- Ergonomic design for right-handed users
- Silent buttons for distraction-free work
- Vertical and horizontal scrolling
- Adjustable resolution up to 4000 DPI
- Includes USB receiver and AA battery

Built for productivity

The Prime EX64 is made for modern office work. Dual scroll wheels allow quick navigation through wide spreadsheets and lengthy documents, while dedicated back, forward and DPI buttons keep essential controls within easy reach. Silent clicks create a quieter workspace without sacrificing responsiveness.

Connect to multiple devices

Switch effortlessly between Bluetooth and 2.4 GHz wireless connections depending on your setup. The included USB-A receiver provides instant plug-and-play functionality, and the 10-metre wireless range gives you freedom to work without cable clutter.

Comfortable all day

Its full-size ergonomic shape naturally supports the right hand during long work sessions. Combined with a lightweight yet solid construction and precise optical tracking up to 4000 DPI, the Prime EX64 delivers smooth and reliable performance throughout the day.
