- ✓ Lightweight sleeve with secure zipper

Product description

Why choose this laptop sleeve?

Cirafon Laptop Sleeve offers a slim and lightweight way to protect and carry your laptop. The durable nylon exterior helps resist scratches, while the padded interior cushions your device during everyday transport. A practical front pocket keeps chargers, cables and documents within easy reach, making it an ideal choice for commuting, business travel and hybrid work.

Cirafon Laptop Sleeve in short:

- Fits laptops up to 16"
- Internal compartment: 385 × 275 × 28 mm
- Durable padded nylon construction
- Front pocket for everyday essentials
- Lightweight sleeve with secure zipper

Design and usability

The Cirafon Laptop Sleeve features a clean, minimalist design that slips easily into a backpack, briefcase or suitcase, or can be carried on its own. The slim profile adds minimal bulk, while the front pocket provides convenient storage for chargers, cables, documents and other everyday essentials.

Protection and reliability

The sleeve combines a durable nylon exterior with a padded interior to help protect your laptop from scratches and minor impacts during daily transport. A sturdy zipper closure keeps your device securely in place, making it a practical choice for work, study and travel.
