

# WatchGuard® LiveSecurity® Service

THE BEST SUPPORT & MAINTENANCE PACKAGE IN THE INDUSTRY

## Faster Response, Smarter Support

### SUPERIOR CUSTOMER CARE AND EXPERT TECHNICAL SUPPORT

Your LiveSecurity subscription provides access to telephone and web support from our team of security experts.

- WatchGuard Technical Support is there for you when you need it. Our support team is available 12 hours a day/five days a week (12 x 5), from 6:00 am to 6:00 pm in every international time zone.
- Support is available 24 hours a day/7 days a week (24 x 7) with the LiveSecurity Plus option. Gold level service upgrades support to 24 x 7 with a targeted one-hour response time. Enterprises with complex environments can move up to Platinum level for personalized service from a Technical Account Manager to help them achieve their strategic goals with WatchGuard products.

### HARDWARE WARRANTY

Hardware warranty with advance hardware replacement saves you time and money.

- Extends the one-year warranty that is included with each WatchGuard security appliance by having an active LiveSecurity subscription.
- LiveSecurity also provides advance hardware replacement, which means that should there ever be a hardware failure, WatchGuard will ship a replacement via pre-paid, next-day airfreight in advance of receiving the returned appliance to minimize downtime.

### SOFTWARE UPDATES AND ENHANCEMENTS

LiveSecurity gives you ongoing software updates to ensure your security is always working in top form.

- Receive more than just the standard fixes and minor software patches. LiveSecurity delivers feature enhancements, full-rev updates, and new capabilities as long as your subscription is active.
- Obtain software updates easily, with no additional cost or paperwork. Simply download updates from the LiveSecurity home page, and your system is up to date.

### YOUR EARLY WARNING SYSTEM

WatchGuard security experts closely monitor daily security developments and emerging hacker techniques, delivering timely, concise security intelligence. LiveSecurity alerts, available by RSS feed, email, and at [watchguardsecuritycenter.com](http://watchguardsecuritycenter.com), deliver threat information that is:

- Timely – When new threats arise, you're among the first to know.
- Concise – You'll know within seconds what the issue is and how important it is to you.
- Comprehensive – LiveSecurity reports cover substantive network security issues for Microsoft® Windows®, Macintosh®, and UNIX®/Linux.
- Practical – LiveSecurity alerts always list specific steps you can take to address a new threat with commentary on how your WatchGuard systems can block or reduce the risk.

#### AVAILABLE FOR ALL WATCHGUARD NETWORK SECURITY SOLUTIONS

WatchGuard® knows just how important support is when you are trying to secure your network with limited resources. You require greater knowledge and assistance in a world where security is becoming more critical. LiveSecurity Service gives you the backup you need, starting with an initial LiveSecurity subscription that supports you from the moment you activate your WatchGuard appliance.

## ADDITIONAL SUPPORT OFFERINGS

The support options listed below are available to customers who have a current LiveSecurity subscription.

### REMOTE INSTALLATION

If you need comprehensive assistance with the initial setup, configuration, or VPN installation for your WatchGuard product, you can schedule a Remote Installation Slot.

A WatchGuard technician will assist you for up to two hours to review your needs, configure your product, and test your configuration, while educating you on how to configure your product or service to receive the best performance.

### PREMIUM 4-HOUR RMA

All LiveSecurity subscriptions include an Advance Hardware Replacement service, which means that WatchGuard will ship a replacement via pre-paid, next-day airfreight in advance of receiving the returned appliance. Customers with mission-critical requirements that need replacements sooner can purchase the Premium 4-Hour RMA service. With this upgrade, a courier will deliver a replacement appliance on-site within 4 hours of RMA approval.

Premium 4-Hour RMA is not available in all geographic locations.

### THREE-INCIDENT UPGRADE

If you have used all of the incidents included in your LiveSecurity subscription, you can get additional incidents by purchasing a Three-Incident Upgrade.

### ONE-HOUR PRIORITY RESPONSE UPGRADE

If you have an issue that requires a more immediate response than your LiveSecurity subscription provides, you can upgrade your incident to get a one-hour response time from a WatchGuard technician. Please note that this guarantees a response time, not a resolution time. Case resolution time will vary depending on the issue.

### AFTER HOURS UPGRADE

If you need to contact WatchGuard Customer Support outside the hours covered in your LiveSecurity subscription, you can upgrade your incident to have after-hours support.

## ONLINE TOOLS

A LiveSecurity subscription entitles you to access these helpful online tools:

**KNOWLEDGE BASE** Find general product and support information, as well as procedures and quick tips for getting the most out of your WatchGuard products. To get started, visit <http://watchguard.com/support>.

**INTERACTIVE USER FORUM** Post issues and get help from other users and WatchGuard staff.

**TECHNICAL PUBLICATIONS** For all-hours access to user guides & online help.

## GOT IT? DON'T LOSE IT!

Is your LiveSecurity subscription about to expire? Don't wait – damage to your network is costlier than a subscription renewal.

To purchase or renew<sup>†</sup> a LiveSecurity subscription, call your reseller, or visit our online store at [www.watchguard.com/store](http://www.watchguard.com/store).

Call WatchGuard at 1.800.734.9905 (U.S./Canada) or +1.206.613.0895 (international).

<sup>†</sup>If your subscription is expired for more than 30 days, you must first purchase and activate a LiveSecurity Reinstatement license. Alternatively, you can waive the reinstatement fee by purchasing a multi-year LiveSecurity renewal, or by purchasing a security bundle or software suite.
