

BASIC WARRANTY B2B – TERMS AND CONDITIONS
Samsung Electronics Nordic AB
Applicable to Products purchased by the Original Customer after 1 March 2013

1. GENERAL

- 1.1 These “Basic Warranty B2B - Terms and Conditions” (the “**Basic Warranty Terms**”) apply to Samsung products listed in the table in clause 2.2 below as amended from time to time (“**Products**”) supplied by Samsung Electronics Nordic AB (“**Samsung Nordic**”) directly, or via one or more resellers, to an end customer which is a legal entity acquiring the Product for its own use and not for the purposes of commercial resale (the “**Customer**”).
- 1.2 The Basic Warranty is provided by Samsung Nordic for the benefit of Customer. Samsung Nordic’s obligations under these Basic Warranty Terms are towards Customer only and a third party may not enforce the provisions hereof vis-à-vis Samsung Nordic. Customer may, however, assign the Basic Warranty and these Basic Warranty Terms to any other legal entity that acquires the Product from the Customer for its own use and not for the purposes of commercial resale. For the avoidance of doubt, a legal entity to which the Basic Warranty and these Basic Warranty Terms are assigned shall never acquire a better right hereunder than the original/first Customer (the “**Original Customer**”) purchasing the *new* Product from a reseller.
- 1.3 Samsung Nordic will repair, replace or credit Defective Products according to the Basic Warranty in accordance with these Basic Warranty Terms. The Basic Warranty is provided to Customer at no cost during the Basic Warranty Period.
- 1.4 This Basic Warranty is provided separately and independently by Samsung Nordic and is in addition to any applicable international, regional or other warranty that may be provided in writing by Samsung Electronics Co., Ltd (or any of its affiliated companies other than Samsung Nordic).
- 1.5 No reseller/seller is authorised to modify these Basic Warranty Terms. Each reseller/seller is solely responsible for any misrepresentation of Samsung Nordic warranties, and for any supplementary and other warranties or other commitments offered by the reseller/seller. Samsung Nordic will not honour any such reseller/seller warranties or commitments.

2. BASIC WARRANTY AND BASIC WARRANTY PERIOD

- 2.1 Subject to these Basic Warranty Terms, for the benefit of Customer, Samsung Nordic hereby warrants that the Product will be free from defects in material and workmanship (the “**Basic Warranty**”). A defect in material or workmanship is referred to herein as a “**Defect**” and a Product with a Defect is referred to as “**Defective**”. Samsung Nordic, however, does not warrant that the Products will operate uninterrupted or error free.
- 2.2 The Basic Warranty validity period for each type of Product (the “**Basic Warranty Period**”) is set out in the table below. The Basic Warranty Period for an individual Product is calculated (a) from the date of the Original Customer’s purchase of the Product from a reseller as evidenced by the proof of purchase provided by Customer (e.g. receipt or invoice) indicating the date of purchase and the serial number, or (b) if Customer is unable to provide a satisfactory proof of purchase of the Original Customer’s purchase of the Product, from the date three months after the manufacturing date of the Product.
