SC 662

Sennheiser SC 662 is a premium dual-sided wired headset, optimized for low impedance devices such as mobile phones, DECT phones and some of the latest IP phones. It is designed for quality-conscious contact center and office professionals requiring outstanding sound performance.

Sound leadership

With Sennheiser HD voice clarity and ultra-noise cancelling microphone, SC 662 optimizes speech intelligibility in noisy contact center and office environments.

Quality design

With a focus on quality materials and durability, SC 662 is built to withstand heavy contact center usage. Stainless steel and brushed aluminum parts with a unibody headband construction create an iconic, high-end design that enhances strength and robustness.

User focus

Sound enhancement features make conversations crisp and clear, and leath-

ette ear-pads ensure powerful sound and wearing comfort. A metal reinforced headband maintains a perfect fit and is numbered for easy accurate adjustment.

With Sennheiser ActiveGard® for acoustic shock protection, SC 662 is designed to enable quality-conscious professionals to perform at their best, whatever the environment.

Features and Benefits:

- Sennheiser HD voice clarity – wideband sound for a natural listening experience
- Ultra noise-cancelling microphone for perfect speech transmission
- High-quality neodymium speaker for outstanding HD audio quality
- Sennheiser ActiveGard® technology protects users from acoustic shock and sudden sound surges
- Stainless steel hinge on speaker joint for maximum strength
- Brushed aluminum parts for strong and lightweight design
- Unibody headband construction for maximum strength at stress points

- Kevlar® reinforced cable for extreme durability
- Large leatherette ear-pad for exceptional wearing comfort and powerful sound
- Ultra sonic welded microphone housing for maximum durability
- Extension headband with number indication for accurate adjustment
- 90 degree turnable speaker-housing for space saving storage and transport
- 3 years international warranty

*Kevlar® is a trademark of DuPont.

Product Information

Product name	SC 662
Art. No.	504559
EAN No.	40 44155 08350 7
UPC No.	6 15104 23714 8
Product description	Binaural CC&O HS, ED, low Imp.
Microphone	
Microphone	Ultra noise-canceling
Frequency response - communication/telecommunication	150 Hz – 6,800 Hz (Wideband)
Speaker	
Speaker type	Neodymium Magnet Speaker
Impedance	~55 ohm
Frequency response	50 Hz – 18,000 Hz
Sound pressure	Max. 103 dB limited by ActiveGard®
General Data	
Wearing style	Headband, binaural (dual-sided)
Cable length	1000 mm
Connector	Easy Disconnect
Color	Black with silver
Headset weight	110 g
Packaging	
Included in the pack	Headset, quick guide, safety guide leatherette earpad and cable clip mounted on headset
Package dimensions	201 (L) x 153 (W) x 60 (H) mm
Package weight	253 g
Units in distributor master carton	20 pcs
Master carton weight	6.29 kg
Master carton dimensions	615 (L) x 415 (W) x 185 (H)
Unit pack/end user	1pc
