Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Exceptional colour with 3-in-1 multifunctionality for your small workgroup

The ideal document support system for busy individuals or small workgroups the MC350 provides superb quality colour printing, copying and scanning in one compact multifunction device. A 50 sheet automatic document feeder (ADF) makes copying and scanning multi-page documents quick and easy while its 12 pages per minute (ppm) colour and 16ppm mono print engine delivers documents fast.

Colour scanning and networking come as standard with the MC350 enabling users to scan documents direct to their PC, network or email for highly efficient working. LDAP support makes integration into central email server systems easy and with enhanced multitasking work does not stop while the MC350 is printing.

Delivering performance that will support the workload of multiple users with ease the MC350 is complemented with lowest in class running costs making it exceptionally affordable to own and run. Add OKI's unique 3 year on-site warranty for total peace of mind and the MC350 will save you time, space and money.

The MC350 includes a unique set of software designed to help users get the most of their product and investment. These advanced utilities come as standard in the box and deliver increased printing power and management control.
