USB-C charging
(approx. 2.5 hours to charge)

3.5mm audio jack port

2.1 Included accessories

USB cable

Audio jack cable

Flight adapter

Pouch

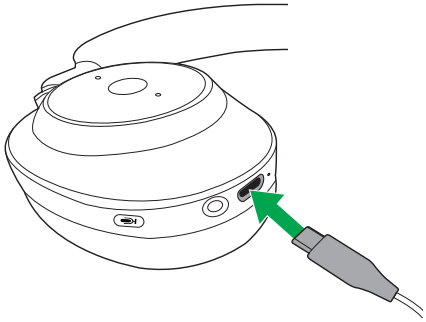
3. How to wear

Adjust the headband so that the headphones fit your head comfortably.

4. How to charge

To charge the headphones, connect the USB charging cable to the USB charging port on the right earcup. It is recommended to charge the headphones using the supplied Jabra charging cable, however it is possible to use a compatible charger.

Right earcup



It takes approx. 2.5 hours to fully charge the battery. If the headset is fully out of battery, 15 minutes of charging will give 5 hours of battery.

4.1 Sleep mode

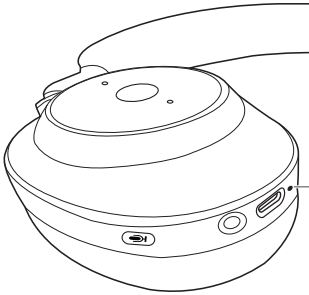
When the headphones are powered on, but not being worn, they will automatically enter sleep mode after 1 hour to conserve battery. To exit sleep mode, simply wear the headphones again, or press any button.

The length of time before the headphones enter sleep mode can be adjusted using the Jabra Sound+ app.

After 24 hours of sleep mode, the headphones will power down completely.

4.2 What the LED means

Right earcup



- Power on
  Battery full
- Battery medium
- Battery low
- Battery critically low
- Pairing mode
- Resetting/Firmware updating

5. How to connect

5.1 Pair with a smartphone

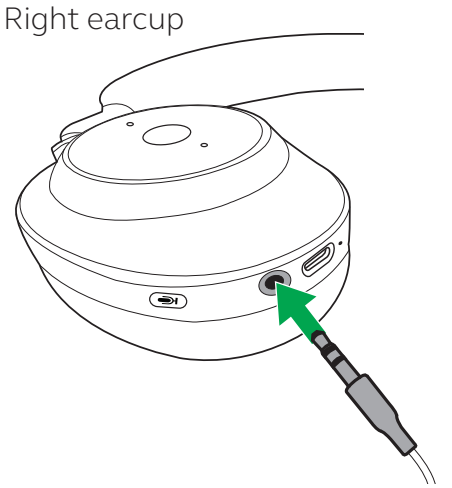
1. Wear the headphones.
2. Press and hold the **Multi-function** button on the right earcup for 3 seconds until the LED flashes blue and you hear an announcement in the headphones.
3. Go to the Bluetooth menu on your smartphone and select the Jabra Elite 85h from the list of available devices.

5.2 Connect to 3.5mm jack port

Plug the supplied audio jack cable into the 3.5mm audio jack port on the headphones.

When connected to a device using the audio jack cable, the headset microphone and Bluetooth are disabled. If the headset is plugged into a smartphone, the smartphone's microphone will be used for calls.

The volume and Sound Modes can still be controlled using the buttons on the headphones.

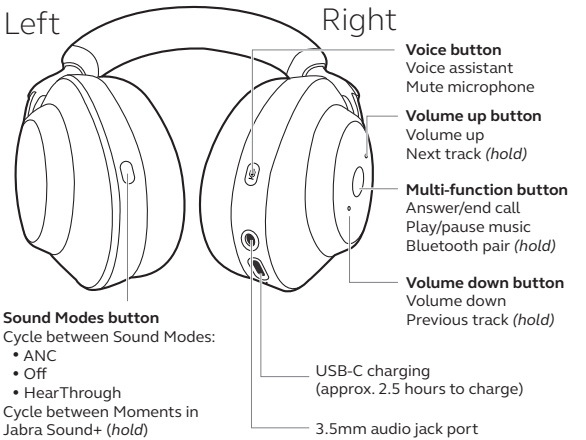


6. How to use

6.1 Power on/off

The headphones automatically power on when the earcups are rotated into the wearing position.

The headphones automatically power off when the earcups are folded flat.



6.2 Calls & music

Right	Calls & music	
	Play/pause music	Press the **Multi-function** button
	Answer call	Press the **Multi-function** button, or say 'Answer'
	End call	Press the **Multi-function** button
	Reject call	Double-press the **Multi-function** button, or say 'Ignore'

	Adjust volume	Press the **Volume up** or **Volume down** button, when listening to music or on a call
	Next track	Press and hold (1 sec) the **Volume up** button
	Restart track	Press and hold (1 sec) the **Volume down** button to restart the current track. Press and hold twice to play the previous track.
	Hear battery and connection status	Press the **Volume up** or **Volume down** button, when not listening to music or on a call
	Activate Voice Assistant (i.e. Siri, Google Assistant, Amazon Alexa or Baidu)	Press the **Voice** button, when not on a call
	Mute/un-mute microphone	Press the **Voice** button, when on a call

Left	Sound Modes	
	Cycle between Sound Modes: ANC, Off, HearThrough	Press the **Sound Modes** button
	Cycle between Moments in Jabra Sound+	Press the **Sound Modes** button

6.3 Voice Assistant

The Jabra Elite 85h enables you to speak to Siri, Google Assistant, Amazon Alexa or Baidu on your smartphone using the **Voice** button.

Right	Voice Assistant	
	Activate Voice Assistant (i.e. Siri, Google Assistant, Amazon Alexa or Baidu)	Press the **Voice** button, when not on a call

6.4 Active Noise Cancellation (ANC)

Active Noise Cancellation (ANC) counters noise. It detects and analyzes the pattern of incoming sound, and then generates an anti-noise signal to cancel it out. As a result, you experience a drastically reduced level of surrounding noise.

ANC settings can be configured using the Jabra Sound+ app.

Left	ANC	
	Turn on ANC	Press the **Sound Modes** button to cycle through the available Sound Modes until ANC is announced.

6.5 HearThrough™

HearThrough utilizes the built-in microphones to enable you to pay attention to your surroundings and engage in conversation without needing to remove the headphones.

HearThrough settings can be configured using the Jabra Sound+ app.

Left	HearThrough	
	Turn on HearThrough	Press the **Sound Modes** button to cycle through the available Sound Modes until HearThrough is announced.

6.6 Jabra Sound+ Moments

Moments are predefined audio configurations in the Jabra Sound+ app that are designed to suit the different moments of your day.

Left	Moments	
	Cycle through Moments in the Jabra Sound+ app	Press and hold (1 sec) the **Sound Modes** button to cycle through the available Moments in the Jabra Sound+ app

6.7 Multiuse

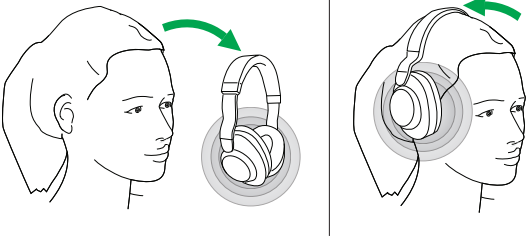
The headphones can be paired to two smartphones at once, and can accept multiple incoming calls from either smartphone.

To pair to two smartphones, use the normal pairing process separately for each smartphone (refer to section 5).

Note: Voice assistant will be activated on the last paired smartphone.

6.8 On-ear detection

The headphones have built-in sensors that can detect when the headphones are being worn.



AUTO-PAUSE MUSIC

When listening to music, removing the headphones will automatically pause the music. Wear the headphones again to automatically resume the music.

MUTE CALL

When you are on a call, removing the headphones will automatically mute the call. Wear the headphones again to automatically un-mute the call.

This feature is off by default, and can be enabled in Jabra Sound+.

AUTO-ANSWER INCOMING CALL

When the headphones are not being worn and you have an incoming call, wearing the headphones will automatically answer the call.

This feature is off by default, and can be enabled in Jabra Sound+.

6.9 Multiple call handling

The headphones can accept and handle multiple calls at the same time.

Right	Multiple call handling	
	End current call and answer incoming call	Press the **Multi-function** button
	Put current call on hold and answer incoming call	Hold (2 secs) the **Multi-function** button
	Switch between held call and active call	Hold (2 secs) the **Multi-function** button
	Reject incoming call, when on a call	Double-press the **Multi-function** button

6.10 Voice guidance

Voice guidance are announcements intended to guide you through set up, or to give you headphone status updates (e.g. connection and battery status).

Voice guidance is enabled by default.

Right	Voice guidance	
	Turn Voice guidance on/off	Press and hold (5 sec) the **Voice** button until you hear an announcement in the headphones.

Alternatively, use the Jabra Sound+ app on your smartphone to turn Voice guidance on or off.

For the latest list of supported languages, refer to the Jabra Sound+ app.

6.11 Update firmware

Firmware updates improve performance, or add new functionality to Jabra devices.

Download the Jabra Sound+ app for firmware updates.

6.12 How to reset

Resetting the headphones clears the list of paired devices and resets all settings.

Right	Reset headphones	
	Reset pairing list and settings	Ensure the headphones are powered on and you are not on a call. Then simultaneously press and hold (5 sec) the **Volume up** button and the **Multi-function** button until the LED lights up purple and your hear an announcement in the headphones. You will need to re-pair the headphones to your smartphone.

8.1 FAQ

View the FAQs on Jabra.com/help/elite85h.

8.2 How to care for your headphones

- Always store the headphones in the supplied case.
- To prevent the depletion of the battery lifetime or capacity, avoid storing the headphones in hot or cold environments, such as a closed car in summer, or in winter conditions.
- When exposed to rain, allow the headphones sufficient time to dry. It may take up to one hour for the headphones to dry thoroughly and power on.
- It is recommended to keep the headphones between 15°C and 25°C (59°F and 77°F).
- Do not store the headphones for extended periods of time without recharging them (max. three months).
