ASUS Chromebook Enterprise Flip CX5

The power to Flip the way you want

The 14-inch ASUS Chromebook Enterprise Flip CX5 is an ultrathin and lightweight laptop built for a new era of work and entertainment. Behind its elegant metallic exterior is the powerful performance of Intel® Core™ processors and Intel® Iris® X^e graphics, plus WiFi 6, so you'll be well-equipped to breeze through everyday tasks. In addition, military-grade durability means you can rest assured when taking ASUS Chromebook Enterprise Flip CX5 on the go. With Google Play[1], you can access a rich library of apps, games, music, movies, TV, books and more, all from your Chromebook.

Beauty on the move

ASUS Chromebook Enterprise Flip CX5 weighs only 1.4 kg and features a precision-crafted all-aluminum chassis that's finished with precisely shaped corners and edges, giving it a clean, elegant look. Its refined aesthetic is perfect for users seeking on-the-go versatility combined with unparalleled design.

Incredible performance

Up to an 11th Gen Intel® Core™ i7 processor, 16 GB of RAM, a 512 GB SSD and ultrafast WiFi 6 deliver performance and power for productivity in a fanless design, ensuring high performance while staying incredibly noiseless.

Fast, easy charging

With the amazing 10-hour battery life[2] of ASUS Chromebook Enterprise Flip CX5, traveling without a charger isn't a big deal. When you do need to top up, its fast-charge feature can restore the battery to a 60% charge level in just 49 minutes, so you'll be ready to go in no time[3].

Intuitive experience

The 360° ErgoLift hinge design combines with a quick-charging garaged USI stylus to provide smooth precision when note-taking, sketching or editing in tablet mode. Only 15 seconds of charging the stylus provides up to 45 minutes of use.

Military-grade toughness

ASUS Chromebook Enterprise Flip CX5 meets next-level and industry-leading US MIL-STD 810H standards[4], which are more rigorous and demanding than ever before. Additionally, the device undergoes stringent in-house testing to ensure maximal toughness.

Seamless visuals

The four-sided NanoEdge display maximizes screen area with an 85% screen-to-body ratio[5] for immersive viewing.

USB-C for ultimate flexibility

ASUS Chromebook Enterprise Flip CX5 is loaded with I/O ports — including the cutting-edge Thunderbolt™ 4, the high-powered next generation of the universal cable connectivity solution, and USB Type-A for added flexibility.

Application
Explore with Google Play[1]

As well as featuring the best of Google out of the box, ASUS Chromebook series gives you full access to the Google Play[1], so you can use all your favorite apps for work, or creativity.

Security
Built-in security features

With its automatic updates[6] and built-in anti-virus protection, ASUS Chromebook series frees you from the worry of keeping your device safe, secure and always up to date.

Management
Remotely & Seamlessly

Thanks to the seamless cloud integration, you can easily access everything from any device. ASUS Chromebook opens up a whole new world of freedom!

Garaged USI stylus
A touch of genius

The included stylus quickly and automatically charges when garaged — only 15 seconds of charging provides up to 45 minutes of use — keeping it ready for use and providing a safe place to store it. The intuitive movement of the stylus is a quick, precise way to unleash your creativity and productivity: take notes, sketch or jot down those "Aha!" moments whenever innovative ideas strike.

Hinge
Precision-engineered for versatility

The precision-engineered 360° ErgoLift hinge on ASUS Chromebook Enterprise Flip CX5 smoothly adjusts and secures the display at any angle. The hinge also lifts and tilts the keyboard into the perfect typing position when the display is rotated into laptop mode. Additionally, this position creates extra space underneath the laptop to enhance the audio.
