

#24110

Wireless Rechargeable Ergonomic Mouse

Wireless, rechargeable lighted mouse with an ergonomic, vertical design to reduce arm and wrist strain, and with lighting

Key features

- The vertical design gives you a perfect wrist position so you can work for hours on end without strain
- Wireless; work without constraints with the storable USB receiver
- Environment friendly thanks to the rechargeable battery; never throw batteries away again
- Go for a personal touch by turning on the colour cycle
- The low battery LED warns you when you need to recharge the mouse
- USB-C cable included to continue your work while recharging the battery
