Highlights

Water level indication

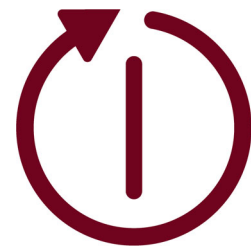

Fill the water tank easily and precisely with the water level indication.

Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

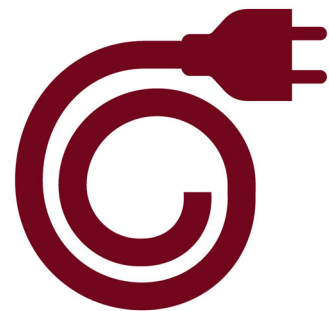

Direct automatic shut-off

Auto-off

After brewing your coffee, the coffeemaker switches off automatically for energy saving and safety. The thermal jug will ensure that the coffee stays hot.

Cable storage

Spare cable can be stored in the cable compartment under the coffee maker. It enables placing the coffee maker nicely in your kitchen.
