

PRODUCT INFORMATION

SUN-FLEX® DESKLITE is a desk luminaire developed for the modern workplace. Thanks to its flexibility in both settings and functions, it is suitable for all workplaces in the office as well as for the home office. The long arm, which is easily positioned as desired, provides light where you want it.

The luminaire is easy to handle either with touch controls on the arm or via the included remote control. Dimmer function, color temperature adjustment and automatic shutdown to save power, SUN-FLEX® DESKLITE provides all the functions that anyone could wish for.

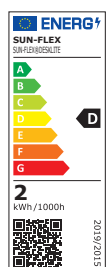

With high and carefully selected quality details such as LED components from Samsung, material choices such as aluminum and ABS plastic, a product with the utmost quality and longevity is ensured.
