

SUN-FLEX® HIDEAWAY CHAIR

SUN-FLEX®

Active Workplaces

PRODUCT INFORMATION

SUN-FLEX® HIDEAWAY CHAIR is developed for today's modern flexible workplaces no matter where you are, the office or the home office. It is also an excellent choice for activity based workplaces as it is easy to store.

Thanks to the own developed SPACE SAVING SYSTEM from SUN-FLEX® with unique folding solutions for both back and armrests, the opportunity is there for extra space when you are not sitting down, simply fold and stow away!

The storage takes little space when the chair is not in use as it is easily folded and placed under the desk or in another suitable place.

SUN-FLEX® HIDEAWAY CHAIR has a lumbar support and ventilating mesh fabric in the back, synchro mechanism that increases comfort, provides support and a more comfortable sitting position.

Upholstered seat with durable fabric and casters that are intended for hard and soft floors.

The height of the chair is adjustable with a lever on the side, adjustable tilt resistance and tiltable armrests.

With the SUN-FLEX® HIDEAWAY CHAIR, you are prepared for the new way of working!
