

# Konftel C20Ego

Huddle Room Video. Convenience in a box.

**Konftel C20Ego is the perfect video collaboration solution for personal work spaces up to huddle rooms, combining the Konftel Cam20 4K conference camera and the brilliant Konftel Ego speakerphone with OmniSound® audio quality.**

The Konftel OCC Hub brings everything together into one convenient kit, so a single USB cable is all you need to connect the camera, the sound unit and the room's screen to the collaboration app on your laptop. With the Konftel Cam20 USB conference camera, you can also be sure that the other participants in the video conference will get a clear and balanced image of you and your colleagues. WDR technology automatically adjusts to achieve a good picture in different light conditions, even challenging ones such as low light, direct sunlight and high contrast.

**OmniSound®**     

- Room type: Personal to Huddle
- 4K Ultra HD
- 123° field of view
- Simple installation
- EPTZ
- 8x digital zoom
- OmniSound® with HD audio
- Two-year warranty
- Climate Neutral Certified

## QUICKLY FIND THE RIGHT ANGLE

The Konftel Cam20 is optimized for situations where the conference cam needs to be positioned close to the table, as is normal in today's many huddle rooms. The 123° field of view means that all the participants can sit in a comfortable position and still fit into the video image. At the same time, the camera creates a realistic image with no distortion.

## CRYSTAL CLEAR WITH OMNISOUND®

The Konftel Ego is the speakerphone with the Red Dot design award that stands out from the crowd with its convenient and compact form, flexible use and, above all, incredible sound quality. Despite its size, the Konftel Ego delivers crystal clear sound thanks to our unique OmniSound® audio technology.

### NO HASSLE GUARANTEE

Konftel OCC Hub is, as the name suggests, the hub of the video collaboration solution, offering One Cable Connection to the conference camera, speakerphone and screen. In practice, this means that C20Ego fully supports BYOC – Bring Your Own Computer, where the user can bring the collaboration service to the meeting room on any laptop with a USB port.

### CLIMATE NEUTRAL PRODUCTS

Konftel is certified in line with the Climate Neutral standard. This means that we have offset all our greenhouse gas emissions and are taking action to further reduce those emissions. When you choose a Konftel product, you keep a clear climate conscience while supporting your organization's growing need for video collaboration.
