

Arlo Pro 4 Spotlight Camera

2K QHD Wire-Free Security

Spotlight, sleep tight

Rest easy knowing your home is protected, whether you're there or away with Arlo Pro 4. With no wires, your camera connects directly to your Wi-Fi network so you can easily install in minutes. Spot unique details with color night vision, and see more in dark areas with the integrated spotlight. The advanced lens has a wider field of view, and lets you track & zoom in on moving objects clearly. Receive notifications when your camera spots people, vehicles, animals or packages, and view live video or recorded clips directly from your phone with 3 months of included Arlo Smart.*

2K Video with HDR

Zoom in on objects and see clearer details and colors in 2K HDR.

Connects Directly to Wi-Fi

Connect to your home network, or pair with Arlo SmartHub.

Color Night Vision

See what's lurking with color night vision or black & white.

Magnetic Charging

Fast charging cable easily snaps into place.

Integrated Spotlight

Light up the night and identify unique details with the integrated spotlight.

Built-In Smart Siren

Trigger your siren remotely or automatically during an event.

160° Viewing Angle

Keep an eye on more of what matters with a wider field of view.

Rechargeable Batteries

Six month battery life on one charge.*

*Arlo Smart includes cloud recordings of video clips for 30 days. Renewal of an Arlo Smart subscription is required to maintain Arlo Smart features, including cloud storage.

**Will vary with settings, use, activity captured, and environment
