

Mic Pod Pendant Mount

EXISTING MOUNTING OPTIONS

Problem: In rooms that have tall ceiling rooms and tables that can't have mics attached or that have unique setups, neither of these options are suitable.

A modern meeting room with a long wooden table and four blue chairs. A single mic pod is hanging from the ceiling. The room has dark walls and a light floor. A potted plant is on the right side of the room. On the left, there is a wall-mounted display and a small shelf with plants.

Mic Pod Pendant Mount allows you to hang Rally Mic Pods in rooms that have tall ceiling rooms and tables that can't have mics attached or that have unique setups. Hanging mics from the ceiling helps ensure everyone can be heard equally even in your largest spaces.

MIC POD PENDANT MOUNT DESCRIPTION

Hang mics from the ceiling for a clean look and better sound in your largest rooms with Mic Pod Pendant Mount. Be sure everyone can be heard wherever they sit.

Mic Pod Pendant Mount is an additional, optional, accessory for purchase to use with Rally Mic Pod(s).

Compatible with both drop ceilings and solid ceilings
