PowerIQ Fast Charging

63W Charging Speed

Key Benefit

- * Charge Faster: Qualcomm Quick Charge 3.0 combines with Anker's proprietary PowerIQ and VoltageBoost to deliver the fastest possible charge to almost any USB device.
- * Premium Design: Hard-wearing matte finish, high-gloss detailing, light-blue LED, and cool-blue USB ports combine to make this a truly premium charger.
- * Multi-Port Charging: 5 ports pump out 63W of power—enough for the whole family to simultaneously charge multiple devices at the highest speed possible.
