Whatever you sell important is to do it with the XE-A113. The cashregister offers what the retail market is asking for. Just connected it can be started easily by the QUICH Start Guide available in 5 languages and the sophisticated "HELP" key function which avoid a time consuming learning process related to the cashregister operation. This allows you to spend more time for your customers. Effective are also the features of the XE-A113. Up to 10 Clerks are allowed to operate and get the opportunity to have access to 50 Departments and 200 PLUs. Several transaction reports are available in order to control financial data as well as Department and PLU turnover sales data.
