

# DC450

8MP USB Document Camera with 17x Optical/8x digital Zoom

---

- **8MP High Definition Camera**
- **17 x Optical zoom to focus on the finer detail**
- **Built-in microphone for webcam use**
- **Rotating camera lens**

Optoma's DC450 takes a live workspace and allows you to distribute real-time image capture to large audiences when combined with any big screen technology.

Sharing video content remotely has never been easier too, simply connect to any one of the video conferencing tools (Via a PC) to enable sharing with remote audiences. Its a great way to create an interactive learning or demonstration space, perfect for classrooms, boardrooms & lecture theatres.
