
Epson Perfection V300 Photo

DATASHEET

This affordable, slimline scanner captures every detail, using Epson Matrix CCD technology for premium quality scans up to an optical resolution of 4800 dpi. It also features Epson Easy Photo Fix™ software to restore colour to faded photos and remove dust and scratches from damaged film. Your scanned photos will look better than your originals.

The extendable hinge makes it easy to scan documents, magazines and books up to 25 mm thick with the lid closed. With virtually no warm up time, Epson ReadyScan technology lets you scan whenever you're ready, and uses less energy too.

KEY FEATURES

- Outstanding 4800 dpi optical resolution film scanning
- Scan a range of photo and film formats into digital archives
- Save energy and scan instantly with Epson ReadyScan LED technology
- Restore valued photos and film with Epson Easy Photo Fix™
- Flexible design allowing portrait or landscape positioning on the desktop
