SC 668

Sennheiser SC 668 is a premium dual-sided wired headset optimized for narrowband desk phones. Designed for quality-conscious enterprises requiring outstanding sound performance, durability and exceptional wearing comfort.

Sound leadership

With Sennheiser Voice Clarity and an improved ultra noise-cancelling microphone, SC 668 optimizes speech intelligibility in noisy contact center and office environments.

Quality design

With a focus on quality materials and durability, SC 668 is built to withstand heavy contact center usage. Stainless steel and brushed aluminum parts with a unibody headband construction create an iconic, high-end design that enhances strength and robustness.

User focus

Sound enhancement features make conversations crisp and clear, and leatherette

ear pads ensure powerful sound and wearing comfort. A metal reinforced headband maintains a perfect fit and is numbered for easy accurate adjustment.

With Sennheiser ActiveGard® for acoustic shock protection, SC 668 is designed to enable quality-conscious professionals to perform at their best, whatever the environment.
