

Designed to be flexible enough to meet your needs today and grow with you tomorrow

Windows®. Life without Walls™. HP recommends Windows 7.

HP Pro 3010 Desktop PC series

Realize your potential with the HP Pro 3010 Business Desktop PC. Powerful enough to handle your everyday business needs now, with enough flexibility built-in to allow you to keep an eye towards the future. Get out-of-the-box productivity and flexibility in a modern look and feel today.

Flexibility comes standard

Your business needs evolve as your small business grows. You don't know exactly what you will need in future. With that in mind, the HP Pro 3010 is designed to evolve with you. Available ports, slots and bays allow you to configure your PC to meet your needs today and then expand your capabilities when the time is right.

Out-of-the-box productivity

This PC is ready to go when you are with proven Intel® processors and chipset, a genuine Windows® 7 operating system, dual monitor support, a variety of optical drives, up to 8 GB DDR3 SDRAM memory and RAID support (Microtower only). You get a PC equipped to make an impact right out of the box with a range of ports, slots and bays to help you make the most of your new PC.

The choice is yours

Get a PC that's a perfect fit for your environment with two available form factors designed for the way you work. Choose a space-saving Small Form Factor PC or the highly expandable Microtower PC to provide headroom for your future needs.

Do more with pre-qualified options

Build your potential with pre-qualified options like the 22-in-1 Media Card Reader, a second hard drive to utilize the RAID data mirroring capabilities (Microtower only), a SuperMulti LightScribe DVD Writer Drive so you can burn labels directly onto LightScribe disks.

Built to last

With innovative engineering and more than 130,000 hours of testing, you know you're getting a reliable and durable desktop that can go the distance.

Plus, the HP Pro 3010 offers service and support options, so you can spend your time focusing on what's most important— your business.
