SONATA IV
SONATA SERIES

ENCLOSURES

ELEGANTLY SILENT

Antec presents the Sonata IV, built from the ground up for Quiet Computing™ to continue the legacy of its predecessors. All of the features in the Sonata IV optimize the case's quiet design, from the included 620 watt power supply with whisper-quiet 120 mm fan, to the redesigned case airflow that allows for maximum cooling with minimal fans, to the vibration-reducing silicone grommets for hard drives. Sonata IV is also the most capable Sonata to date, offering a 2.5" drive mount and front-panel USB 3.0. Created to give you a quiet, functional solution for your home, home office or corporate workspace, Sonata IV delivers.

Included 620 watt power supply

Front mounted I/O ports allows easy access for USB 2.0 and 3.0 and audio jacks

Washable air filters helps reduce dust buildup

Redesigned front bezel intake maximizes natural airflow
