

ANYWHERE ANYTIME TABLE-TOP SCREEN

25" 32" 40"

The U-Work screen provides a perfect solution for table-top presentation in business and education occasions. With creative casing design, the weight of 40" screen is only 1.3 Kg . With the carrying belt the screen becomes more easy to carry . No installation is required . Single-button lock mechanism makes the screen extremely convenient to operate. Turning out the base foot and pull up the handle, the screen can be ready for presentation easily . As the portable LED projector and mobile phone with projector bulb are popular nowadays , the U-work screen offers an excellent viewing experience and compared to the lap-top , the U-Work brings customers a better viewing experience for portable business. Latest structure design of the U-Work screen with self-stand base foot ensures the screen stop at any desired position, extremely convenient for any presentation needs.

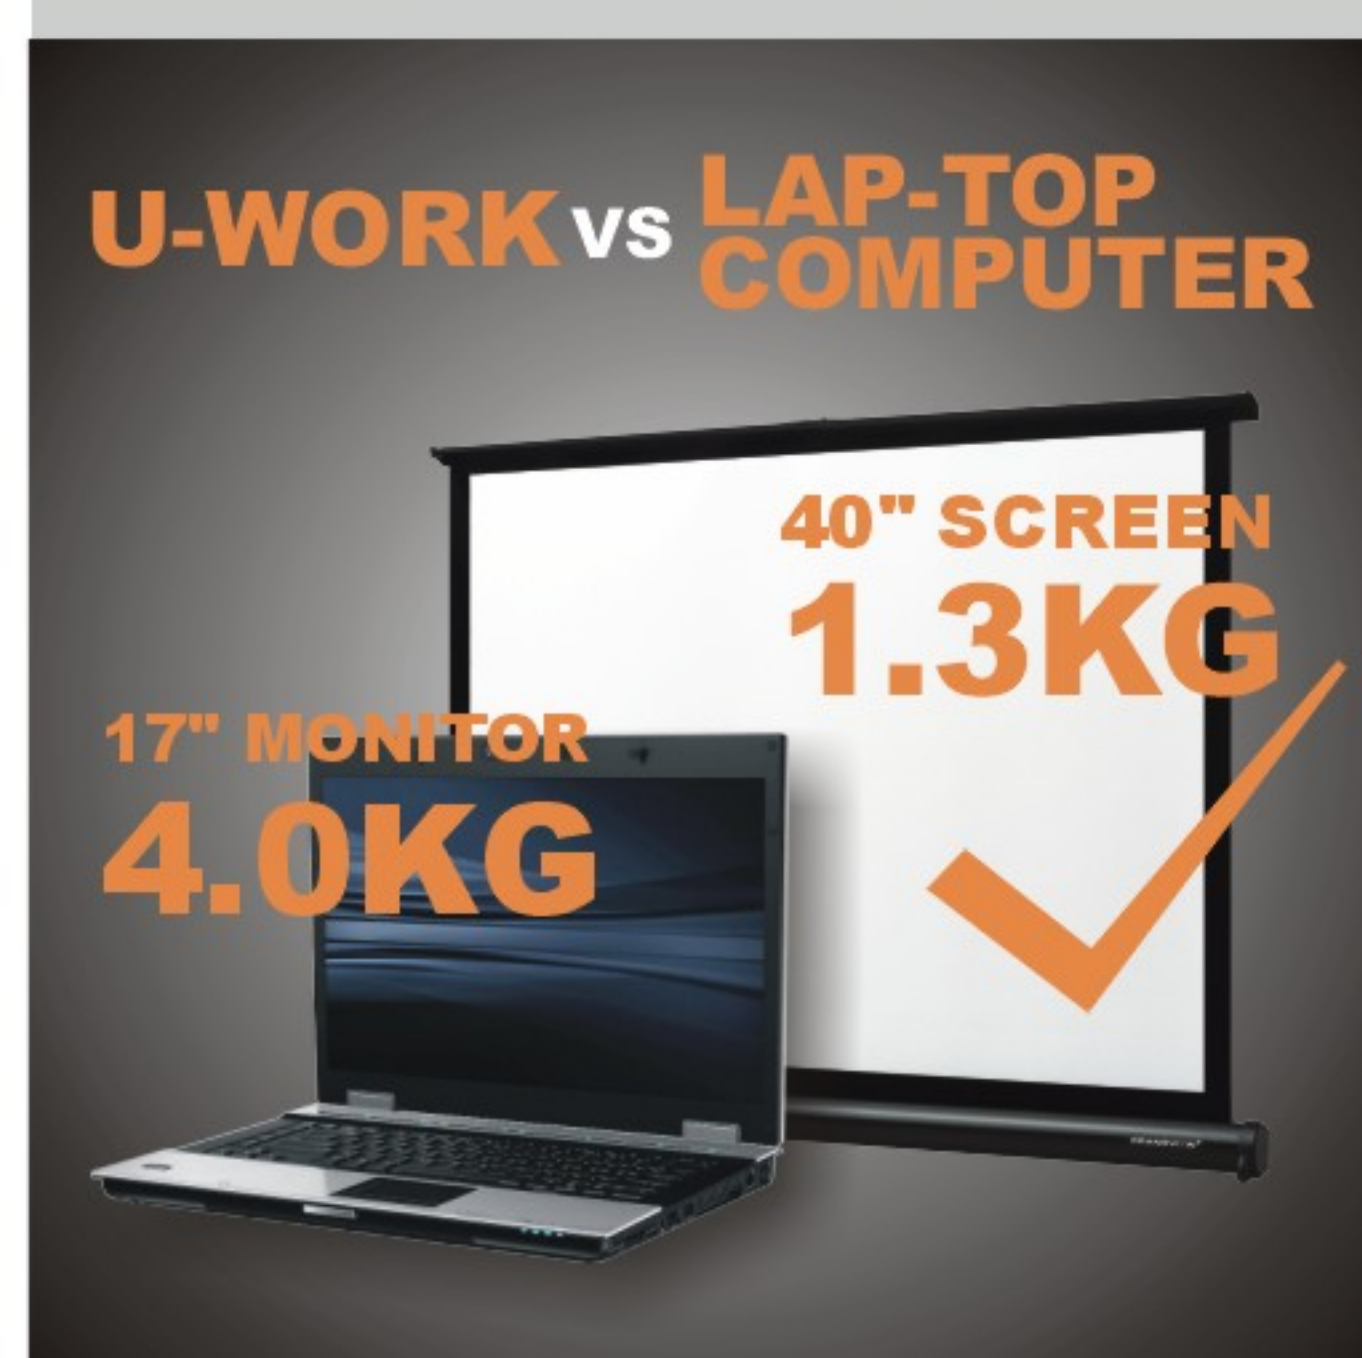

Self-Stand Base Foot I Self-Stand Base Foot II
