

Headset for iPod[®], iPhone[®] and iPad[™].

Easier control over music and calls.

PX 200-IIi

 **SENNHEISER**

PX 200-IIi

The lightweight and supra-aural PX 200-IIi is great for travel as well as outdoor use, because it easily fits into a pocket when folded. The closed mini headset offers good isolation against outside noise and is ideal for noisier environments. The new headset with remote unit enables you to control the latest generations of iPod and iPhone, or the iPad.* No need to fumble with the player – simply push the buttons integrated in the cable to control the volume, play, pause, or skip tracks. Used on the latest iPhone models, the unit also serves as a headset to answer, end, or reject calls and activates the Voice Control.

- Smart remote with mic: enhanced usability for the latest models of iPod, iPhone, and iPad
- Powerful neodymium magnets for extremely low distortion; highly efficient and powerful sound reproduction
- Rugged and durable: robust steel headband with metal joints, steel-reinforced headband ends, connection to the ear cups tested for durability
