I AM YOUR FIRST NIKON

The perfect camera for those just starting out in photography, the COOLPIX L23 makes it easy for anyone to shoot stunning images. The 5x wide-angle zoom lens offers the freedom to capture everything from sharp close-ups to stunning group photos. Easy Auto Mode optimizes all camera settings for superior results and Nikon's Smart Portrait System ensures perfect portraits every time. Compatible with AA-size batteries and boasting a slim body, it's easy-to-power and easy-to-carry anywhere.

Key features:

Superb image quality: with wide-angle 5x zoom NIKKOR lens, 6.7cm (2.7in.) LCD monitor and 10.1-megapixel CCD image sensor.

Easy operation: conveniently placed control buttons and helpful automatic technology including Easy Auto Mode and Scene Auto Selector. Powered by AA-size batteries.

Slim body for superior portability: elegant design available in black and pink.
