

# Epson GT-2500N

## DATASHEET

The hard-working Epson GT-2500N includes a 50 sheet auto document feeder to take care of scanning while you do other jobs. At speeds up to 27 ppm and up to 9600 dpi output resolution, it turns your all your documents into high quality digital files. You can also choose from additional professional business software\* or built-in networking\*\*.

The Epson GT-2500N is the ultimate business scanner – with the latest technology at an affordable price.

An affordable price doesn't mean a compromise on quality or speed with this machine - documents can be scanned at up to 27ppm using the 2 pass duplex. And it converts proposals, quotes, letters, faxes and more into electronic files so you're able to archive and share them with colleagues in minutes - increasing your office productivity.

What's more, with a no maintenance Auto Document Feeder, the Epson GT-2500N lasts much longer than other models, so it will support your business for years to come.
