

DualFit Armband for Samsung Galaxy S II

This ultra-comfortable armband provides full protection for your Galaxy S II while exercising or just on the go.

Part # F8M133eb

Get Active with Your Galaxy S II

Ideal Fit

This ultra-comfortable armband provides full protection for your Galaxy S II while exercising or just on the go. The lightweight, breathable neoprene material has a closure that adjusts to fit and also provides easy on / off access so you can easily transition from your run to your daily routine.

High-Performance

The material is water-resistant and hand-washable, with a reflective stripe for safety. It gives you full-protection and easy navigation access to your Galaxy S II, while minimizing the bulk on your arm.

Features

- Armband closure adjusts to fit
- Slim, lightweight, and stretchable neoprene material
- Water-resistant
- Hand-washable
- Reflective stripe for safety
- Cover protects Galaxy S II screen while allowing easy navigation
