

HP ProBook 4535s Notebook PC

Business Partner

These HP s-series notebooks combine great design with a wide breadth of security solutions, advanced multimedia features, AMD processors with VISION Pro Technology and display choices.

HP recommends Windows® 7.

Durable metal design

Ideal for small and medium businesses, the HP ProBook s-series balances functionality with style and affordability. The high-strength precision-formed aluminum is deeply anodized to create a rich, smudge-resistant and wear-resistant HP DuraFinish, available in metallic gray. Also enjoy a 39,6 cm (15.6") diagonal HD¹ display.

Complete security features

From preboot BIOS authentication to password management with credential manager and drive encryption, HP provides a complete security tool to support users' needs. HP ProtectTools² is easy-to-use, robust and can be centrally managed. Plus, HP Fingerprint Sensor³ and HP Face Recognition⁴ make it easy to log in to your PC.

Create graphics and save battery life

Gain the high-end 3D rendering processing performance you expect from two graphics processors running simultaneously. The system will adjust down to a single processor to improve your battery life when top performance is no longer required –seamlessly⁵.

Advanced multimedia

This PC comes loaded with the new ArcSoft TotalMedia Suite that allows you to play, edit and create video and audio files. Experience life in high-definition with the HDMI port that allows you to connect directly to HD displays^{1,6}. SRS Premium Sound delivers an amazing audio experience for users listening to media rich content or presenting multimedia heavy presentations.

Engage with colleagues, customers and partners worldwide without incurring a hefty travel budget, thanks to the optional HD Webcam^{1,6,7}.

Solid performance

The HP ProBook 4535s is powered by the newest AMD architecture, featuring VISION Pro Technology from AMD.

The new USB 3.0 connector lets you share and transfer files faster than the previous USB 2.0 connector version.

Built to simplify

With HP QuickWeb⁸ you can tap into fast, convenient and more secure access to the internet, email, contacts and calendar at the touch of a button without long boot-up times.

Accessories and Services

HP Business Nylon Carrying Case

HP Business Nylon Carrying Case is designed inside and out with features that will be appreciated by a mobile traveler. Made from durable nylon, the case offers a large toplead compartment with plenty of room to organize materials, plus store business cards, cell phones and other supplies. It can carry a notebook up to 16.1 inch (40.89 cm) and also includes a neoprene pouch for a mini or thin-and-light notebook up to 12.1 inch (30.73 cm). Convenient outer pockets provide quick access to frequently used items, and can be closed with zippers and Velcro. Padding added to the handles and shoulder strap provide comfort as it is carried. Best of all, attach the HP Nylon Carrying Case to a rolling cart or suit case. A unique pass-through strap helps keep the case attached to the handle of a rolling cart or suit case, to avoid being lost or stolen.

Product number: BP848AA

HP 2.0 USB Docking Station

Skip the hassle of plugging and unplugging your monitor and peripherals every time you take your HP notebook PC with you.

Product number: AY052AA

HP LAN and USB Travel Hub

The HP LAN and USB Travel Hub is an affordable, compact hub designed to go anywhere. Measuring just 2.36" x 2.36" (60mm x 60mm), it fits easily into a carrying case, backpack or even your pocket. Plug it directly into your notebook with the built-in USB 2.0 cable, to access up to four USB 2.0 ports and a RJ-45 LAN port. Tuck the cable safely into a storage slot on the bottom when it's not in use.

Product number: BM868AA

HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

HP PR06 Notebook Battery

The HP Primary Battery is the standard battery replacement for the original battery included with each HP Business Notebook and HP Mini. It's an economical choice for users who primarily use a notebook while plugged in or docked and charge the notebook overnight. Using an additional HP Primary Battery besides the one included in the HP Business Notebook offers additional freedom from a power outlet while travelling or whenever users like to be extra productive.

Product number: QK646AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
