The whiteboard for the modern world

Combine a sleek, modern version of a dry-erase board with a powerful app that lets you save and share content as it unfolds, and voila: SMART kapp®.

Connect using the SMART kapp app

Connect to the display through the SMART kapp app using a QR code and share the meeting with participants in the room or across the globe.

To get started,
download the app

Key Features

- **Get started right away** – No IT integration required. Put it up. Plug it in. Start writing.
- **Real-time sharing** – Up to 250 participants can be invited to view content from any browser, in real-time, whether they're in the room or not.
- **Data security** – Protect your session with a PIN code. Shared content is immediately deleted when you disconnect your device.
- **Easily distribute notes** – Save notes as snapshots on a mobile device and to your Evernote™, Google Drive™, Dropbox™ or other storage accounts for easy distribution.
- **Static session link** – Use the same URL for every business or classroom collaboration session. Participants can bookmark it and join without waiting for a new URL to be emailed.
- **Sizing options** – Available in 42" portrait or 84" landscape orientation.

“ I bet your dry-erase board is not as smart as SMART kapp. ”
