GUN/ROD/BOW MOUNT

Mount your GoPro to guns, fishing rods and bows. This versatile mount has a non-reflective matte black finish that eliminates glare so you can stay out of sight. It's compatible with most shotguns,¹ rifles, revolvers, airsoft, paintball and pellet guns, and fits fishing rod grips and bow components with diameters ranging from 10 to 23 mm (0.4 to 0.9 in). Mount up to two cameras to capture immersive front-facing and rear-facing perspectives.

FEATURES

- Compatible with most shotguns,¹ rifles, revolvers, airsoft, paintball and pellet guns, as well as fishing rods and bows
- Non-reflective matte black finish eliminates glare, making it easy to stay out of sight
- Mount up to two cameras to capture footage looking forward, backwards or both directions at once
- Camera(s) can be mounted below or to the side of a gun barrel or fishing rod
- Specially designed backdoor mounts help stabilise the camera during recoil
