Reference data
Eaton 3S 450 DIN

Product	EATON Ref	Short description
Eaton 3S 450 DIN	3S450D	Residential or professional UPS, 450VA/270W, compact protection for home and office computers, 3 Schuko outlets with battery backup and surge protection + 3 Schuko outlets with surge protection, replaceable battery, wall mounting system

Packaging	Size (WxDxH*, mm)	Weight	Number of units / packaging	UPC barcode
Unitary packaging	396 x 160 x 196	3.5 kg	1 product / carton	743172101747
Pallet	1200 x 1000 x 1094	345 kg	90 cartons / pallet	

Package content (Retail colour packaging)
6 outlets UPS with input power cord (1.50 m) + Quick start + safety instructions

Technical specifications
Technology	Off-line High Frequency UPS
Power rating	450 VA / 270 W
Size (W x H x D*)	325 x 86 x 140 mm
Weight	2.9 kg
Output connection	6 Schuko outlets (3 with battery backup and surge protection + 3 with surge protection)
Output Voltage	230 V
Frequency	50 / 60 Hz autoselect
Input voltage window	up to 160V-284V, adjustable through software
Features	Automatic battery test , fault indicator, reset button (circuit breaker), audible alarm (can be disabled), permanent battery recharge (even when off)
Data line protection	N/A
Power management	N/A
Warranty	2 years ; optional Warranty +1; warranty +3; Extend (check availability in your country)
Standards and approvals	IEC 62040-1-1, IEC 62040-2, IEC 61643-11, CE mark

Typical use	Runtime
1 Entry-level PC with peripherals	20 min

Key selling points
- Ideal Protection (450VA/270W) for entry-level PC and peripherals
- 6 Schuko outlets for easy connection of a typical computer configuration, Internet gateway, NAS or Home Cinema/video equipment
- Service continuity : 10 to 20 min battery backup for a typical PC ensures clean internet transactions and download in any situation
- Attractive design with glossy finish
- Reset button (circuit breaker)
- Replaceable battery
- Wall mounting system

*W x H x D = Width x Height x Depth
