

Philips Brilliance
LCD monitor with
SmartImage

22" (55.9 cm) S-line

WSXGA+

Brilliance

220S2CB

Ergonomic display enhances productivity

With features like Ergo base, 0.1 watt Soft-off mode, Dual inputs, SmartImage and SmartControl, the energy efficient Philips 220S2 increases your productivity

Sustainable Eco-friendly solution

- EPEAT Silver ensures lower impact on environment
- Energy Star for energy efficiency and low power consumption
- SmartPower: Up to 50% power saving
- 0.1 watt Soft-Off mode

Ergonomic design

- 70 mm height adjustment for ideal sitting position
- Tilt and swivel adjustment for the ideal viewing angle

Outstanding display performance

- SmartImage: Optimised user-friendly display experience
- SmartContrast: For incredible rich black details

Great convenience

- Modern Touch controls
- Dual input accepts both analogue VGA and digital DVI signals
- Easy display performance tuning with SmartControl Premium

PHILIPS
sense and simplicity

Highlights

SmartImage

SmartImage is an exclusive leading edge Philips technology that analyses the content displayed on your screen and gives you optimised display performance. This user-friendly interface allows you to select various modes like Office, Image, Entertainment, Economy etc., to fit the application in use. Based on the selection, SmartImage dynamically optimises the contrast, colour saturation and sharpness of images and videos for ultimate display performance. The Economy mode option offers you major power savings. All in real time with the press of a single button!

SmartPower

SmartPower is an artificial intelligent technology which dynamically analyses the content of the screen image to achieve power saving. The backlight intensity can be controlled automatically and pre-set by the system to reduce the power consumption by up to 50%, which saves substantially on energy costs

Dual input

Dual input provides connectors to accommodate input of both analogue VGA and digital DVI signals.

EPEAT Silver

The EPEAT (Electronic Product Environmental Assessment Tool) program helps purchasers evaluate, compare and select computer products such as monitors based on 51 environmental criteria supported by the US EPA. EPEAT certification ensures reduction in the use of toxic materials and hazardous waste and also ensures compliance with Energy Star. All Philips monitors are EPEAT-registered with Silver tier, ensuring protection for human health and the environment, while also being more energy efficient and ensuring low emissions of climate-changing green house gases. You can read more about EPEAT at <http://www.epeat.net/>

Energy Star 5.0

Energy Star is a US EPA sponsored energy efficiency programme also adopted by many other countries. Energy Star certification ensures that you are buying a product which meets the latest power efficiency standards and which operates with maximum power efficiency at all operational levels. New Philips monitors are certified for Energy Star 5.0 specifications and meet or exceed the standard. For example, in sleep mode Energy Star 5.0 requires less than 1 Watt power consumption, whereas Philips monitors

consume less than 0.5 Watts. Further details can be obtained from www.energystar.gov

Screen tilt and swivel

Screen tilt and swivel mechanism built into the base permits the monitor to swivel and tilt backwards or forwards.

70 mm height adjustment

The Compact Ergo Base is a 'people-friendly' Philips monitor base that tilts, swivels and is height adjustable so each user can position the monitor for maximum viewing comfort and efficiency

Touch controls

Touch controls are intelligent, touch sensitive icons that replace protruding buttons that lets the user adjust the monitor to their requirement. Responding to your lightest touch, Touch control gives the monitor a modern feel

SmartContrast

SmartContrast is a Philips technology that analyses the contents you are displaying, automatically adjusting colours and controlling backlight intensity to dynamically enhance contrast for the best digital images and videos or when playing games where dark hues are displayed. When Economy mode is selected, contrast is adjusted and backlighting fine-tuned for just-right display of everyday office applications and lower power consumption.

Specifications

Picture/Display

- LCD panel type: TFT-LCD
- Panel Size: 22 inch/55.9 cm
- Aspect ratio: 16:10
- Optimum resolution: 1680 x 1050 @ 60 Hz
- Response time (typical): 5 ms
- Brightness: 250 cd/m²
- SmartContrast: 500,000:1
- Pixel pitch: 0.282 x 0.282 mm
- Viewing angle: 176° (H)/170° (V), @ C/R > 5
- Picture enhancement: SmartImage
- Display colours: 16.7 M
- Scanning Frequency: 30–83 kHz (H)/56–75 Hz (V)
- sRGB

Connectivity

- Signal Input: VGA (Analogue), DVI-D (digital, HDCP)
- Sync Input: Separate Sync, Sync on Green

Convenience

- User convenience: SmartImage, SmartPower, Brightness, Menu, Power On/Off
- OSD Languages: English, French, German, Spanish, Italian, Russian, Simplified Chinese, Portuguese
- Other convenience: VESA mount (100 x 100 mm), Kensington lock
- Plug and Play Compatibility: DDC/CI, Windows 7/ Vista/XP/2000/98, Mac OS X, sRGB

Stand

- Tilt: -5/20 degree

Power

- Smart Power Mode: 12 W (Min.)

- On mode: < 21.5 W (EnergyStar 5.0 test method)
- Standby mode: < 0.1 W
- Off mode: < 0.1 W
- Power LED indicator: Operation - White, Standby mode - White (flashing)
- Power supply: Built-in, 100-240 VAC, 50/60 Hz

Dimensions

- Packaging in mm (W x H x D): 486 x 551 x 138 mm
- Product with stand (mm): 416 x 505 x 201 mm
- Product without stand (mm): 351 x 505 x 59 mm

Weight

- Product with packaging (kg): 5.66 kg
- Product with stand (kg): 4.18 kg
- Product without stand (kg): 3.79 kg

Operating conditions

- Temperature range (operation): 0°C to 40°C °C
- Temperature range (storage): -20°C to 60°C °C
- Relative humidity: 20–80% %
- MTBF: 50,000 hour(s)

Sustainability

- Environmental and energy: RoHS, EPEAT Silver, EnergyStar 5.0

Compliance and standards

- Regulatory Approvals: BSMI, CE Mark, FCC, Class B, GOST, SEMKO, TCO 5.0, TUV/GS, TUV Ergo, UL/cUL

Cabinet

- Colour: Black/Black
- Finish: Texture

Issue date 2010-06-14

Version: 1.0.3
