## Footnotes

<sup>1</sup> Internet service required and not included.

## Technical specifications disclaimers

<sup>1</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. Intel's numbering system is not a measurement of clock speed. <sup>2</sup> For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. 5.1 GB of the eMMC are dedicated/allocated to the OS and OS partitions. <sup>3</sup> This offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/chromebook/answer/2703646?hl=en> <sup>4</sup> Wireless access point and internet service required and not included. Availability of public wireless access points limited. <sup>5</sup> WWAN module is optional, must be configured at the factory and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions <sup>6</sup> External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
